

## **Buy a Better Business Faster with Accelerant's Accelerator**

We'll teach you everything you need to acquire a 7-figure business in 7 months. Do you want to own a million-dollar business with positive cash flow by next year?

We'll help you find, finance, and acquire a great business in 8–12 months.

*"Accelerant has been nothing short of fantastic. The team is data-driven and highly attentive... highly recommended."* — Jeff Johnson

*"I can't say enough about how Accelerant has changed my life... You won't be disappointed!"* — Kevin Couper

## **The Big Opportunity**

We believe the legacy and goodwill of an established business is the best asset to build wealth.

Acquiring a business means owning a valuable asset with proven cash flow, an existing customer base, and brand recognition—an asset that can grow over time.

There has never been a better time to buy a business.

### **Key Stats:**

- 16 million business owners ready to retire in the next decade.
- 25 million U.S. jobs at risk.
- 60% of businesses have no succession plan.

At Accelerant, it's our mission to prepare entrepreneurs for the great business transfer.

**Our mission: protect 1 million U.S. jobs by 2050.**

## **Financing Available**

The SBA offered:

- 62,000 loans
- \$43 billion in funding
- Up to \$5 million with 90% leverage

Accelerant will help you find and close on a business generating \$1MM/year in cash flow in under 1 year.
